GOVERNMENT'S MOTION TO RESCHEDULE SENTENCING

The United States hereby files motion to reschedule the sentencing in the above-captioned case. The reasons for this motion are as follows:

1. This matter is currently set for sentencing on March 2, 2001, at 11:30 a.m.
2. The United States wishes to put on evidence of defendant's relevant conduct at sentencing. To do this, the United States needs to rely upon the testimony of FBI Special Agent Ann Saunders, the agent assigned to this case.
3. Agent Saunders is scheduled to be out of town and unavailable from March 2 through and including March 6, 2001.
4. Consequently, the United States respectfully seeks to have this sentencing rescheduled to a time either before March 2, 2001, or after March 6, 2001.
5. Counsel for the United States has attempted to contact counsel for defendant regarding this motion, but his voicemail indicates that he is out of the office through February 9, 2001.

[Handwritten signature]

As a result, the United States does not know defendant's position on this motion.

For the foregoing reasons, the United States respectfully requests that the sentencing in this case be re-scheduled.

Respectfully submitted,

GUY A. LEWIS
UNITED STATES ATTORNEY
